

REMARKS

By this amendment, claims 3, 10-11, and 13 have been amended. Accordingly, claims 3, 10-13, 23-25, and 30 are currently pending in the application, of which claims 3, 10, are independent claims. Applicants appreciate the indication that claims 3, 10-13, 23-25, and 30 contain allowable subject matter.

Entry of the Amendments and Remarks is respectfully requested because entry of Amendment places the present application in condition for allowance, or in the alternative, better form for appeal. No new matters are believed to be added by these Amendments. In view of the above amendments and the following Remarks, Applicants respectfully request reconsideration and timely withdrawal of the pending objections and rejections for the reasons discussed below.

Rejections Under 35 U.S.C. §112, second paragraph

Claims 3, 10-13, 23-25, and 30 stand rejected under 35 U.S.C. §112, second paragraph as being indefinite. Applicants respectfully traverse this rejection for at least the following reasons.

The Examiner noted an obvious typographic error that rendered the term “styryl” improperly as “stylyl.” Although the Examiner noted it only claims 3 and 10, Applicants observe that the error was repeated in claims 11 and 13. Applicants have made the appropriate amendment to restore the original meaning of the claim. Additionally, the Examiner noted a misplaced semicolon in claim 10. This semicolon has been removed.

Claims 3, 10-11, and 13 have been amended to correct the typographical errors noted by the Examiner. These amendments are made for the sole purpose of clarifying claims 3, 10-11, and 13. These amendments are not made for the purpose of avoiding prior art or narrowing the claimed invention, and no change in claim scope is intended. Therefore, Applicants do not

intend to relinquish any subject matter by these amendments. Applicants respectfully submit that claim 3, 10-11, and 13, as amended, fully comply with the requirements of 35 U.S.C. §112, second paragraph.

Accordingly, Applicants respectfully request withdrawal of the 35 U.S.C. §112, second paragraph rejection of claims 3, 10-13, 23-25, and 30.

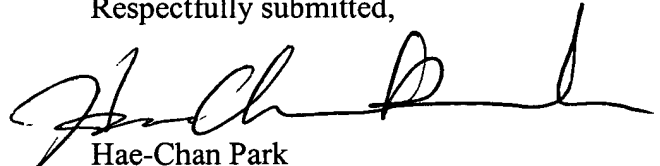

CONCLUSION

Applicants believe that a full and complete response has been made to the pending Office Action and respectfully submits that all of the stated objections and grounds for rejection have been overcome or rendered moot. Accordingly, Applicants respectfully submit that all pending claims are allowable and that the application is in condition for allowance.

Should the Examiner feel that there are any issues outstanding after consideration of this response, the Examiner is invited to contact the Applicants' undersigned representative at the number below to expedite prosecution.

Prompt and favorable consideration of this Reply is respectfully requested.

Respectfully submitted,
